

The dinner, which was scheduled on 8th of december 2017, at 1:00p, was delayed for an hour. The reason was the lack of a place to hide personal belongings of invited guests (telephone, wallet, keys, etc.) and a lunch break for officers.

At 2.00pm a space was opened with boxes, where people visiting prisoners could leave their belongings. Then, the whole group of invited people entered specially prepared room, with modestly decorated large table, at which everybody could sit down together and eat 3-course dinner.

The Menu:

1. Cream soup of red vegetables (tomatos, peppers) poured with cream
1. Zupa krem z czerwonych warzyw (pomidory, papryka) polana śmietaną

2. Main dish
- Optionally:
 - a salmon in tomato sauce, baked potatoes, boiled broccoli and carrots
 - or
 - a mutton (two slices of meat) in barbecue sauce, baked potatoes, boiled broccoli and carrots
3. Dessert – optionally:
 - Brownie
 - or
 - cheese-chocolate cake

The dinner lasted for about 2 hours and several minutes, and after that everyone was asked to leave the room.

There was supposed to be coffee also, but it wasn't served.

At the end of the meeting, every inmate (except for Martha) was given pieces of a cake in disposable box.

Additionally

Every inmate (Except for Martha) could give presents to their visitors.

The meeting was held in relaxed atmosphere. We could spend the time nicely, hugging and enjoying every moment. Martha could relish a long-time not tasted broccoli, salmon, and mutton. She enjoyed every bite. We shared our desserts with her so she could taste some sweets.

We took our seats isolating from the rest of the people, so that we've created together a cameral atmosphere, in a group consisting of Martha, her sister Monika, and friends: Krysia and Rafał.

We thank for the gesture of ability to spend a good time together, to eat a meal together in great company, where you could forget the difficulties for a while, and to enjoy every given minute together.

May the next such possibilities of even mutual, unrestricted company and the possibility of not only eating a meal together, were in a place and among those closest to Marta ...
